I, Yadamreddy Radha Krishana S/o Y. I am the Plaintiff in the above case and that I am well acquainted with the facts of the case.

I filed the above case before this Honourable Court for Permanent Injunction.

i. I respectfully submit that I borrowed loans from the defendants herein as per the given table hereunder. I was able to pay loan installments till the last two months. But now I am unable to pay the loan installments as my business is in loss. But the defendants are harassing me in an unlawful and illegal manner to pay the loan installments by coming to my houses and in office premises and causing inconvenience at my residence.

ii. I further submit that inspite of N number of requests the defendants continued their illegal approach rather than initiating legal proceedings against me. As I am unable to bear the harassment of the defendants I requested the defendants so many times. Even inspite of the said requests by me to all of the defendants intentionally causing inconvenience to me at my residence and sometimes even on public roads they are restraining me and insisting to pay immediately right there itself.

iii. I further submit that I made all my best legal efforts to restrain the defendants. But all my efforts went futile. The defendants are continuing the same illegal approach. Even after my best efforts, the defendants are continuing the same unlawful activities and the defendants are threatening me with dire consequences.

iv. I further submit that the defendants are unlawfully and illegally trying to approach me at my residence and at public roads and harassing me to demand to pay loans in an illegal manner. I cannot stop the defendants from their unlawful activities, the defendants are having a very strong illegal background.

v. I further submit that the defendants are proclaiming that however they will harass me with the help of some anti social elements. The defendants are having very much influence in the society and they may come along with anti-social elements and their henchmen and may harass me by illegal means for the recovery of the loan installments. I cannot stop the illegal activities of the defendants without the help of the Honourable Court. As there is no other way, I am constrained to file the suit for Permanent Injunction restraining the defendant, their men or agents not to interfere

with the peaceful possession and enjoyment of plaint schedule properties except due process of law. Otherwise I may suffer irreparable loss and serious injury and to pass such other orders as the Honourable Court deems fit and proper in the circumstances of the petition and in the interest of justice.
